

ATL800
ATL850

SEALER / PRIMER ODOUR ENCAPSULANT

Low Odour Formula | Multi-Surface Coating | Great Adhesion

ATL800 / ATL850

This sealer / primer is an innovative water-based coating used to seal and lockdown odours commonly found on restoration projects. A low odour formula that contains no volatile organic compounds (VOCs). Available in white (ATL800), or clear (ATL850) it serves as a base coat, primer/sealer offering excellent stain blocking qualities.

FEATURES & BENEFITS

- Low permeability characteristics
- Single coat is highly effective on most projects
- Available in white (ATL800) or clear (ATL850)

TECHNICAL SPECIFICATIONS

DESCRIPTION	UNIT	ATL800 / ATL850
